5 January 2022

COVID-19 IMPORTANT INFORMATION

FOR IBU JUNIOR CUP 3 and IBU JUNIOR OPEN EUROPEAN CHAMPIONSHIPS BIATLON 2022 **POKLJUKA**

Competitions will be held according to the [IBU Event Guidelines Covid-19 Season 2021/22](#), including latest updates (22. 12. 2021) in [Annex 6](#).

Please see below a brief summary of the current NATIONAL REGULATIONS AND RECOMMENDATIONS in Republic of Slovenia. Slovenia is trying to contain the spread of new coronavirus infections by the use of entry restrictions and other measures at the borders as well in the country.

Working together to ensure a safe and healthy experience in Slovenia.

We are doing our best to ensure a safe and healthy environment for your stay in Slovenia. You can also do your part by following the health recommendations:

ALWAYS KEEP A DISTANCE OF 1.5-2.0 M FROM OTHERS

WEAR A FACE MASK WHERE REQUIRED

WASH YOUR HANDS REGULARLY AND THOROUGHLY WITH SOAP

DO NOT SHAKE HANDS

KEEP YOUR HANDS AWAY FROM YOUR FACE

SNEEZE AND COUGH IN THE CROOK OF YOUR ARM

PREVENTION IS THE KEY! WEARING A FACE MASK

Only surgical mask or a **FFP2 mask** are considered as suitable protective masks and are **mandatory**:

- **in all closed public spaces,**
- **on public transport,**
- **in open public spaces or outside, if a distance of at least 1,5 metres is not maintained and**
- **in personal vehicles.**

Masks are not compulsory for those carrying out organized sports activities with at least 1,5 meters of distance.

ENTRY REQUIREMENTS: PROOF UPON ENTRY

A person who meets the RVT rule (recovered/vaccinated/tested rule) may enter the Republic of Slovenia without being ordered to quarantine. A rapid antigen self-test cannot be used to meet the requirement of the tested rule.

The RVT rule (Recovered - Vaccinated - Tested) is met if a person provides valid identity document one of the certificates listed below:

1. **a negative PCR test** provided that no more than 72 hours have passed since the swab was taken, or **a negative rapid antigen test** provided that no more than 48 hours have passed since the swab was taken,
2. **EU Digital COVID Certificate** in digital or paper format and with a QR code (EU DCC),
3. **a digital COVID certificate of a third country** in digital or paper format and with a QR code, which must contain the same data as the EU DCC and be issued in English by a competent health authority of the third country (DCC of a third country),

4. a certificate of COVID-19 vaccination to show that the person has received:

- the second dose of the Comirnaty vaccine produced by Biontech/Pfizer or the Spikevax COVID-19 vaccine produced by Moderna or the Sputnik V vaccine produced by Russia's Gamaleya National Centre of Epidemiology and Microbiology or the CoronaVac vaccine produced by Sinovac Biotech or the COVID-19 vaccine produced by Sinopharm or the Vaxzevria COVID-19 vaccine produced by AstraZeneca or the Covishield produced by the Serum Institute of India/or a combination of two previously listed vaccines;
- the dose of the Janssen COVID-19 vaccine produced by Johnson and Johnson/Janssen-Cilag. Proof of vaccination is obtained as of the day of vaccination.

5. a certificate of a positive PCR test result that is older than 10 days, unless a doctor determines otherwise, but not older than 180 days;

6. proof of recovery from COVID-19 referred to in the preceding point and proof of vaccination against COVID-19 to show that the person has received one dose of a vaccine under indent one of point 4 within a period of no more than 180 days since receiving a positive PCR test result or from the onset of symptoms; The person is protected as of the day of vaccination.

More information about border crossing >> [here](#).

TEMPORARY RESTRICTIONS OF GATHERINGS

In order to prevent the spread of infection within the country **foreigners who enter Slovenia must comply with the regulations that temporarily restrict the movement and gathering of people.** Gatherings (socialising) are temporarily **prohibited**, and are only permitted for groups of persons who are immediate family members or share the same household. Please see details >> [here](#).

Public sports events are allowed only in spaces with fixed seating, whereby every other seat must be left vacant, the use of face masks is mandatory, and all participants must comply with the RVT rule.

IBU JUNIOR CUP 3 and IBU JOECH will be held as a closed events and therefore without spectators.

TEMPORARY RESTRICTIONS ON THE IMPLEMENTATION OF SPORTS PROGRAMS

According to the ordinance on temporary restrictions on the implementation of sports programs in Republic of Slovenia **athletes and members of their teams participating in competitions, as well as other organizational staff involved in the conduct of competitions, may participate in competitions only if they met RVT rule.**

RVT RULE FOR USERS OF SERVICE (e.g. accommodation facilities)

Fulfillment of the recovered-vaccinated-tested rule (RVT) must be **met by all persons who are users of services or who participate in or are present in the performance of activities.** RVT rule is mandatory in accommodations, hospitality and catering establishments, service stations, public transport and shops.

ATTENTION! From 24 December, **a negative PCR test not older than 48 hours or a negative RAT test not older than 24 hours** is considered as a condition of condition T (testing) for users of services or activities!

VERIFICATION OF COMPLIANCE WITH THE RVT RULE

The verification of the RVT rule for all participants in a sports competition shall be organized by the responsible persons organizing the work or activity. Verification of the fulfillment of the condition shall be carried out **by consulting the relevant supporting document and by presenting of a valid identity document at the entry points.** Persons who do not meet the RVT condition shall not be permitted to participate in or attend the sports competition.
