## COMMON WAXING PROTOCOL

### **1. *Ski collection: 6 persons***

Skis must be marked with a sticker indicating the athlete's start number. Stickers will be provided in common waxing station (at garage) at ski delivery. Placement of sticker is behind the ski binding.

### **2. *Ski cleaning: 2-4 Technicians, depending on the number of competitors***

Process of skis cleaning: skis will be brushed with a soft steel brush and then cleaned using wax remover applied with soaked paper. Cleaned skis will be left to dry.

### **3. *Wax application: 2 Technicians***

Wax will be applied using the roto Masterwax system. We kindly ask each of the nations to provide one wax table.

### **4. *Skis pick up (on a competition day): 2 persons***

Athletes will pick up their skis on competition day at the start area just before their start time.

## RIFLE SAFETY MARKER

**NEW! RIFLE SAFETY MARKER IN ALL IBU EVENTS!**

**IBU EVENT AND COMPETITION RULES 8.5.1. - A kind reminder to all participants in IBU events:**

From this season onwards, an appropriate safety marker in the form of a visible sign will be required to indicate that there is no cartridge in the chamber.

The intended safety marker consists of a plastic cartridge attached to a brightly colored strip or flag, ensuring it remains clearly visible to everyone at all times.

## OFFICIAL WEBSITE

# SLOVENIA FOR BIATHLON

A dynamic photograph of a biathlete in mid-air, performing a jump. The athlete is wearing a dark, aerodynamic suit and is holding ski poles. A rifle is mounted on their back, and they are aiming it forward. The background features a snowy landscape with a large, partially visible castle on a hill to the left and a dense forest of evergreen trees under a clear blue sky.
